

Veteran Client Sponsorship

“CONNECTING THE UNCONNECTED”

**Project Got Your Back
Navigator Program**

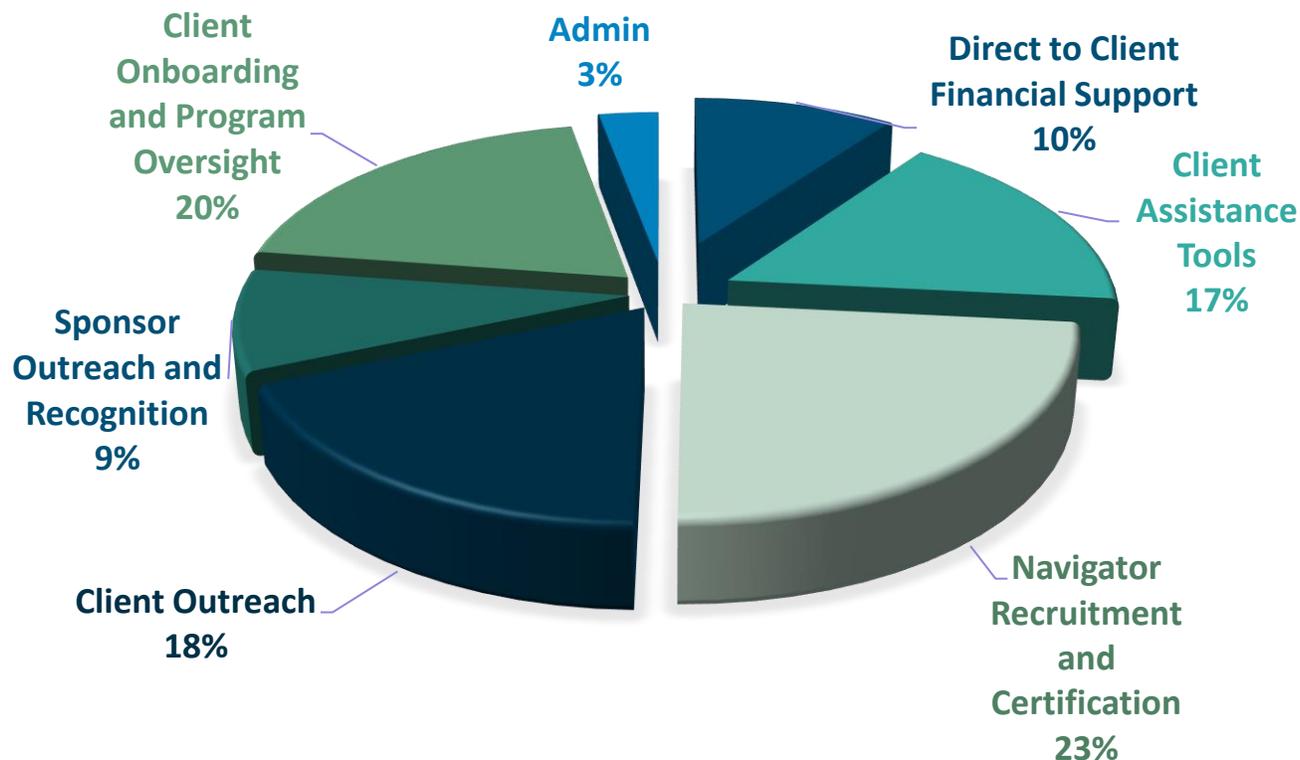

***For \$1,000, you can sponsor a Veteran
with a trained Navigator for 1 year to
connect them with resources and
change their life!***

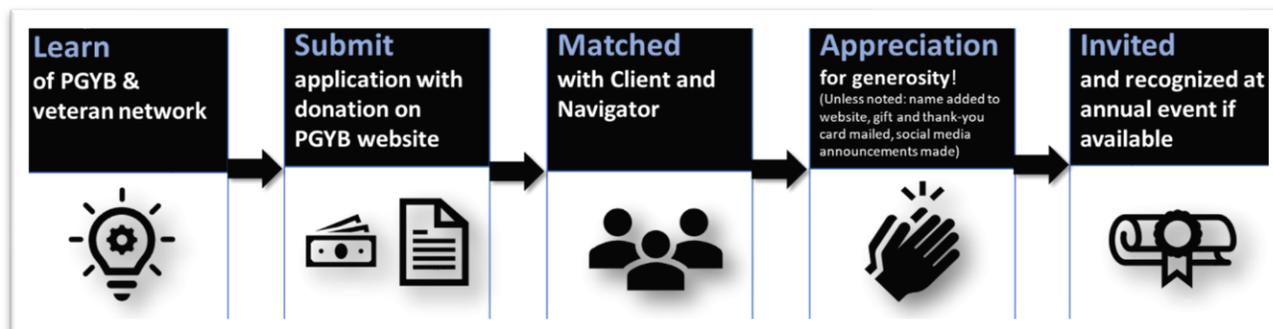

**PROJECT
GOT YOUR BACK**
CONNECTING THE UNCONNECTED

You make this possible

We take our sponsorship funding seriously. Without it, our program, and our ability to connect our Veteran Clients with their Navigators is not possible. Below is a breakdown of how your sponsorship dollars are spent:

How does sponsorship work?

Sponsor your employees, your friends, your relatives! You can also sponsor any Veteran in need, and we'll make the connection to our certified volunteer Navigators *and* connect them with you if you wish for what could be a lifelong friendship.

Your sponsorship will generate **real** action for **real** people with **real**, life-changing results. To learn more, please visit projectgotyourback.org
